We will hand these out upon entering camp Friday and at registration Saturday morning. Any cars without this card risk being towed.

NO VEHICLES WILL BE ALLOWED INTO THE CAMPITES AFTER 7 PM FRIDAY OR SATURDAY NIGHTS. This is a safety issue with kids running around after dark. If you arrive after 7 pm Friday or plan to leave after 7 pm Saturday, you will be required to haul your equipment in/out on foot from/to the parking lot. **PLEASE PLAN ACCORDINGLY.**

IF YOU PLAN TO LEAVE after dark, please plan to pack your vehicle during light hours.

If at all possible, try to combine Pack gear into as few vehicles as possible to prevent congestion. If possible, meet in the camp parking lot and transfer gear into one vehicle.

ACCOMODATIONS:

Tenting:

SCOUTS MUST NOT CAMP IN A TENT WITH A NON-FAMILY MEMBER.

Reserved Campsites:

Campsites may be reserved by Packs who have adopted and cleaned that area/site. Please be courteous not to 'crash' an area if you have not cleaned and reserved a site. Likewise, Packs who have cleaned and reserved a site may still need to share with other Packs, and we ask that they be courteous as well. If you are interested in reserving a site of your own through cleaning it, please come out to the TL James Beaver Day September 7!

Special Needs:

If you or someone in your family requires special consideration for camping, such as electricity, please contact the Scout Office when registering.
