

GENERAL INSTRUCTIONS FOR TURNING IN YOUR EAGLE PROJECT AND APPLICATION

(For more details refer to “Guide to Advancement” or scouting.org)

1. Print your Eagle Project Booklet at www.scouting.org. You must use this workbook.
2. Print your Eagle Scout Application at www.scouting.org.
3. The project plan must be approved by the organization benefiting from the effort, your unit leader (Scoutmaster), unit committee chairman and by the council district advancement committee **before you start**.
4. Give the respective Eagle recommendation and appraisal form to your parent, pastor and principal. The forms are available on our council website (louisianapurchasecouncil.org). There is also a sample letter to attach to the form. For a faster return, attach a stamped addressed envelope using the council address. You can call your references and request a letter instead of using the form.

They are to be mailed directly to the Scout Service Center. Under no circumstances should a Scout or his parent be tasked with receiving or holding the responses!

5. Complete your Eagle project after approval and any other unfulfilled Eagle requirements.
6. Complete the report on the execution and results of your Eagle project. Upon completion of the project, the Scoutmaster and the representative of the benefiting organization must sign and date.
7. Fill out your Eagle application. Prepare and attach a statement of your ambitions and life purpose and a listing of positions held in your religious institution, school, camp, community, or other organizations, during which you demonstrated leadership skills. Include honors and awards received during this service.
